

FORWARD·INC

Forward·Inc is an Amsterdam-based, internationally operating organisation devoted to helping newcomers pursue their entrepreneurial dreams.

LEARN MORE

NEWCOMERSFORWARD.COM

We believe in the incredible talent of people with refugee background, their value to society, and their potential to build bridges across communities. We do this by empowering them to launch, grow, fund, and sustain their own businesses.

OUR PROGRAMS

The **Digital Entrepreneurship Program (DEP)** is an 8-week online course that focuses on building a robust fundamental understanding of business and entrepreneurship.

The **Forward Incubator (FI)** is a dynamic 4 month program for people with the strongest entrepreneurial potential selected from the Digital Entrepreneurship Program (DEP). T

The **Growth Program (GP)** is a 10-week course to support entrepreneurs launching & growing sustainable startups. The focus areas include developing and implementing marketing & sales strategies, understanding the investment landscape & preparation of all elements of pitching.

The **Investor Readiness (IR)** program is focused on businesses that have initial customers and a strong problem-solution fit. They are seeking a first investment opportunity ranging from 30.000 EUR to 200.000 EUR.

The **Mentorship Program** is an ongoing program provided by Forward·Inc to assist entrepreneurs with their specific business challenges.
