University**

# Part 1. If we change nothing

What will asylum reception look like in five years if we continue along the current path?

k.alajak@uu.nl  
k.geuijen@uu.nl

# Part 2. A radical, critical shift

What if we deliberately took a different direction, even under real-world constraints, BUT assuming digital technology is not possible?

k.alajak@uu.nl  
k.geuijen@uu.nl

# Part 3. Bring the technology in

What futures do we truly want, and what role should digital tools play in creating them?

k.alajak@uu.nl  
k.geuijen@uu.nl
